

HOPE TO BRING TEACHERS HERE

Quad-City Instructors to Enter Bid at Kewanee Session for 1919 Gathering.

Teachers of the quad-cities will attend the Illinois valley section meeting of the state teachers' association at Kewanee Oct. 11. Rock Island county is on the border line of two divisions, the western and the Illinois valley.

Moline and Rock Island teachers have arranged for a special train over Rock Island lines leaving Rock Island at 7 o'clock Friday morning and returning after the evening meetings the same day. Expectations are that a delegation of more than three hundred will attend the convention, carrying with them an urgent invitation to bring the next meeting to Rock Island in October, 1919.

On the program as speakers are J. Paul Goode, Ph. D. of the University of Chicago, who will give an address on "The Geographic and Economic Foundation of the Great War" and Dr. David Kinley, vice president of the University of Indiana, who will give an address Friday afternoon. Dr. V. Tyne, professor of history at Ann Arbor, Mich., will address the convention on "Democracy's Educational Method of Meeting Germany's Menace." Friday afternoon Prof. L. M. Larson of the University of Indiana will deliver an address. A talk on geography for the fifth and sixth grades will be given by C. M. Sanford of the Illinois state normal school.

Rock Island and Moline teachers will figure prominently on the program. Miss Grace Tunnicliff, a Moline high school teacher, will give a paper on "How to Organize Work of Foreign Languages to Best Meet New Needs and Conditions." John W. Foster, principal of the East Moline township high school, will give a paper on history.

Miss Maude Bloom of Moline is chairman of the section of natural science and agriculture. Miss M. Josephine Holland is chairman of the division of third and fourth grades and Miss Nettie Dodge of Rock Island and Miss Emma Cooper of Moline are chairmen respectively of the fifth and sixth grade section and the seventh and eighth grade section.

ASK BIDS OCTOBER SUPPLIES AT HOME

The following list of provisions needed for Bethany home for the month of October is open to bids, which should be sent to Mrs. J. W. Grandall, 825 Twenty-fifth street, by noon Friday Oct. 4. pounds navy beans, 7 1/2 pounds lima beans, 4 cans Royal baking powder, 3 pounds tapioca, 6 cans salmon, 1 package baking soda, 1 10-cent sack table salt, 6 bottles blueing, 1 20-cent bottle vanilla, 10 boxes Argo starch, 10 boxes kitchen cleanser, 8 packages cream of wheat, 3 gallons syrup, one-half pound mustard (dry), 2 10-cent glasses mustard, 1 gallon vinegar, 1 can tomatoes, 1 can corn, 1 can peas

BLACK HAWK IMAGE WILL BE PLACED AT STREETS JOINING

A statue of the Indian chief Black Hawk will be placed at the intersection of Ninth and Twelfth streets and Forty-ninth avenue upon the completion of the Ninth street thoroughfare according to

plans now under way. Citizens of what was formerly known as Sears are responsible for this effort to memorialize the great Indian chief by having placed in a circular grass plot a suitable image of him. The Ninth street paving project from Eighteenth avenue to Rock river will be completed before cold weather sets in according to Mayor William McConchie, who recently inspected the work.

The Tri-City Construction company is doing the work and has succeeded in laying the base for the paving as far south as Forty-ninth avenue and the brick has been laid as far as Forty-second avenue.

Containing of labor is proving a handicap as but 10 or 12 men can be maintained on the work at one time due to the vast labor shortage. The company desires to have not less than 30 men on the job, but this has proven impossible. However, in case the construction company can keep 10 or 12 men on the job from now on, the work will be completed within a few weeks.

ISLANDER IS NOT DEAD AS REPORTED, BUT WILL RECOVER

Private Ralph J. Broquist, son of Mrs. Josephine Broquist, 2622 1/2 Seventh avenue, did not succumb to an attack of Spanish influenza at Camp Grant, Rockford, Ill., as was first reported Wednesday.

Mrs. Broquist returned from Camp Grant last night after having spent Wednesday and yesterday with her son, who, although seriously ill, is now recovering, unless complications set in causing a setback.

John Hays and Harry West were fined \$5 each on charges of disorderly conduct.

Greater Value Giving Securely Safeguarded

These garments are primed for service in wearing quality, fabric integrity, tailoring endurance, style attractions and pattern elegance. The makers have exerted the utmost of their resources in providing the finest foreign and domestic woolen in assembling the most proficient tailoring organizations, in creating the smartest style features, all to render to you maximum value. You Can't Rub It Away; Rheumatism Is In the Blood
Limen's Will Never Cure. If you are afflicted with rheumatism, why waste time with liniments, lotions and other local applications that never did cure rheumatism, and never will. Do not try to rub the pain away for you will never succeed. Try the sensible plan of finding the cause of the pain, and go after that. Remove the cause, and there can be no pain. You will never be rid of Rheumatism until you cleanse your blood of the germs that cause the disease. S. S. S. has never had an equal as a blood purifier and scores of sufferers say that it has cleansed their blood of Rheumatism, and removed all trace of the disease from their system. Get a bottle of S. S. S. at your drug store and get on the right treatment today. If you want special medical advice, you can obtain it free by addressing Medical Director, 23 Swift Laboratory, Atlanta, Ga.—(Adv.)
